

PIVOT®

Don't let quitting smoking stress you out — try Pivot's SmartSensor

See how Pivot's breath sensor can help you beat the stress of quitting.

Smoking may feel like stress relief in the moment, but it actually makes stress worse as time goes on.

Receive access to Pivot, the premier quit smoking program, valued at over \$395. Tools like the Pivot SmartSensor* can help replace unhealthy habits with positive behaviors.

Convenience in your pocket.

Personalized and non-judgmental, Pivot offers a choice of tools and support.

- Pivot App
- SmartSensor*
- Free supply of Nicotine Replacement Therapy (NRT)*
- Unlimited access to personal coaching
- Online community

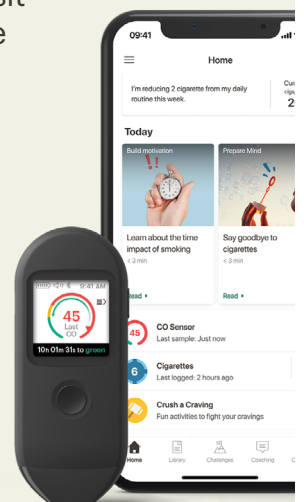

Do you vape, chew, or smoke cigars?
Pivot can help with that too!

*NRT and the Pivot Sensor are only available only for those who smoke cigarettes.

If you or someone you know would like to quit tobacco, Pivot is available for **\$0 copay for eligible Surest members ages 18+.**
